

Welcome

to the Siemens AG Administrative Building
in Berlin

Your safety is very important to us. For this reason, we would like to take this opportunity to familiarize you with our safety information.

Please visit the reception desk to sign in. You will receive a visitor's pass which you are requested to return to the reception desk at the end of your visit.

Please display your visitor's pass throughout your stay and only enter areas for which you have been signed in. If you are carrying bags, please do not leave them unattended.

Photography is unfortunately not allowed anywhere in the building.

We wish you a pleasant stay in the Administrative Building.

Safety Information

Rules of Conduct

Fire/Explosion

Press the button to activate the alarm and leave the building.

If you or others are in an emergency situation, dial the emergency number: +49 30 386 112.

Use of elevators is prohibited in case of fire.

Leave the building immediately when the fire alarm sounds.

Follow the evacuation assistants to the assembly areas.

Evacuation Signal

interrupted continuous tone

Leave the building immediately.

Follow the evacuation assistants to the assembly areas.

Await further instructions.

Accident

Dial the emergency number: 030 386 112.

Inform the operator of your name and location.

Describe the emergency:

1. Where did it happen?
2. What happened?
3. How many people were injured?
4. What injuries do those people have?
5. Wait for questions; don't hang up right away! and follow the operator's instructions.
